

Sierra Wildlife Rescue Baby Bird Nursery Paid Internship

Internship Overview

This seasonal internship, supported by grant funding, is intended to provide educational enrichment for the next generation of animal care professionals. Internships are available in our Baby Bird Nursery. Interns will be involved with all aspects of animal care including feeding, maintenance of a clean and enriching environment, applying medical treatments, participating in veterinary visits, record maintenance, and interfacing with volunteers and the public. The internship experience will vary and may be modified based on intern interest, experience and education. Pay \$11.50/hr. Please direct your letter of interest, resume, and any questions to mjdamer@gmail.com or call 530-622-3437 no later than March 15, 2019.
