CCWR January 2019 ENEWS!!!

Happy New Year!!!

We hope that everybody had a safe and wonderful holiday season. Now we are off to another year!

Board Update

We are very happy to announce that we will have three new CCWR board members starting January 1, 2019. Thank you for taking the time to vote! The current [Board of Director membership](#) is available online.

Welcome!

- Linnaea Furlong, Wildlife Rescue Manager, Napa Wildlife Rescue
 - Jennifer Guess, Senior Wildlife Technician, California Wildlife Center
 - Lucy Stevenot, Songbird Hospital Manager, WildCare
-

New PO Box

We recently had to change our mailing address. The new address is P.O. Box 7203, Cotati, CA 94931.

CCWR Phone Number

In the past few years CCWR might get one phone call every two months that was worth returning. We have decided to discontinue the CCWR voicemail service. Instead we will be using our email address at info@ccwr.org or answering questions off of our [Facebook Page](#).

January 2019 Calendar

Tours, walks, meetings and more!

NEWS *you can use!*

Raptors to the Rescue

Raptors to the Rescue

Using birds to help get rid of pests is proving to be more effective than poisons - and less expensive (The Revelator, 4 Jun 2018)

Membership Updates

We have a few updates regarding memberships:

1. We are contracted with [Birds of North America Online](#) ("BNA") to provide this service to our members! You can now sign onto our website and access it within the [members only](#) area.
2. Due to complications behind the scenes with member management and the new BNA addition, we are removing "family and organizational memberships". Each member will have their own user login to access our Members Only Area of the website. You can still have an organizational membership, but there will only be one login and one discount offered at the symposium.
 - Our plan is to create two accounts for anybody that has either a current Organizational or Family Membership, if a second account has been specified (name, email). We will start to work through these early this year, once we update our membership database.
3. With these changes we have also decided to raise our \$35 membership fee to \$40. This fee has not been raised in over 5 years because it is important to us to keep prices as low as possible.
4. Even though we are raising the membership fee for a one year subscription, you can get a two-year subscription for \$60 or a three-year subscription for \$80. Both are a great deal!
5. We have removed the option to renew an Organizational or Family Membership and we have changed the cost of a membership already.

And for Everything You Do For Wildlife, Thank You!
